

陳氏清花 (Michelle)

Project Management Engineer — Market Research & Product Coordination

📍 Tainan, Taiwan 📞 (+886) 925-392-069 ✉ thanhhoa.tran10062001@gmail.com
🌐 Portfolio 🌐 LinkedIn

🟢 Open Work Permit (Taiwan) — no employer sponsorship required · available immediately

PROFESSIONAL SUMMARY

Trilingual (Vietnamese / English / Mandarin) NCKU IMBA graduate transitioning from market research and business analysis into project management. Currently coordinate cross-functional work across market research, product, and engineering for two SaaS products at a Tainan technology company — translating market findings into product requirements and tracking features through to QA. Independently designed and shipped **ProTrack**, a full-stack project-tracking system now in daily use by a 20-person team.

CORE SKILLS

Project & Process: Project Planning & Scheduling · Agile Project Management · Cross-Functional Coordination · Requirements Gathering & Translation · Process Improvement · Problem Management · Risk Tracking · QA Testing

Business & Strategy: Market Research · Competitive Analysis · Go-to-Market Strategy · Customer/User Needs Analysis · Business Development · Pitching

Tools: Jira · Microsoft Office (Excel, PowerPoint, Word) · Google Analytics · Canva · Firebase · GitHub · Vercel

Technical / AI: React · TypeScript · Prompt Engineering (Claude, Gemini)

Languages: Vietnamese (Native) · English (Fluent, TOEIC 915/990) · Mandarin (Listening B2 · Speaking Intermediate · TOCFL certified)

PROFESSIONAL EXPERIENCE

Market Research & Product Specialist — Jwisdom System Inc.

Nov 2025 – Present

Tainan, Taiwan · Computer Software Services

- Own end-to-end Vietnam market-entry strategy for two SaaS products, turning local user pain points into market insights that directly inform product direction.
- Partner with R&D to translate research findings into concrete development tasks and product requirement specifications, keeping features aligned with real market needs.
- Run QA testing on new features, verifying functional completeness and UX against local market standards before release.
- Build a prospective-customer database, lead initial outreach, and track competitors to optimize pricing and feature positioning; manage social channels, website build-out and SEO.

Business Analyst Intern — TMA Solutions

May 2022 – Aug 2022

Vietnam · Project: Healthcare Application

- Conducted market & competitor analysis across 10+ companies to identify gaps and sharpen business strategy.
- Analyzed 100+ customer insights to optimize app UX/UI, measurably improving engagement and satisfaction.
- Reviewed, tested and reported 30+ system bugs; proposed 5+ feature ideas that improved efficiency and retention.
- Managed weekly Agile sprints, coordinating cross-functional teams and developers — first hands-on project-management experience.

KEY PROJECTS

ProTrack — Project & Time Management System — Independent

May 2026 – Present

- Independently designed and built a full-stack project-tracking system for an automation equipment integration company (20-employees), replacing a manual workflow.
- Built a complete project status pipeline (quoting → in progress → completed → pending invoice → invoiced → paid).
- Designed a color-coded, task-categorized daily time-logging system.
- Implemented role-based access control (Super Admin / Admin / Employee) with an operation audit trail.
- Built one-click Excel export reporting with color-coded legends and per-person time analysis.
- Built automated LINE-channel webhook notifications for real-time status and task updates.
- Tech:** React, TypeScript, Firebase (Auth / Firestore), Tailwind CSS, LINE Messaging API — AI-assisted development (Claude Code) — deployed on Vercel, live and in active use today.

L'Oréal Brandstorm Taiwan 2026 — National Round — Team Representative, NCKU

Jan 2026

- Represented NCKU among 152 teams; led market-trend research and business-model design for a "Biotech Fragrance" concept and pitched the go-to-market strategy to industry judges.

Bio Beauty — Hult Prize Taiwan 2025 — Founder & CEO

Sep 2024 – Mar 2025

- Founded a B-Corp-aligned biotech haircare startup; led market research, business model, brand strategy and GTM — 3rd place NCKU campus round, Top 19 nationally at Hult Prize Taiwan.

EDUCATION

Master of International Business Administration (IMBA) — National Cheng Kung University (NCKU)

Feb 2024 – Feb 2026

- GPA 4.25/4.3 — Top 10% of Batch 115; NCKU Distinguished International Student Scholarship; perfect score in Entrepreneurship.
- Thesis: *Impact Investing Across Borders — ESG Social Performance & Investor Behavior* — OLS regression on 177,491 cross-border transactions across 17 economies.

Bachelor of International Business — Tan Tao University, Vietnam

Sep 2019 – Sep 2023

- GPA 3.82/4.00; ITA Scholarship Grant. Vice President, Student Council — led 100+ peers organizing 5 major campus events and built the sponsorship strategy.

CERTIFICATIONS

- TOEIC 915/990 — ETS
- TOCFL Listening & Reading — Ministry of Education, Taiwan
- Data Analytics Essentials — IBM / Coursera
- Brand Management — University of London / Coursera
- Financial Markets — Yale University / Coursera
- Leadership & Disruption — FIA / Coursera

ACTIVITIES

Vice Head of External Relations

Vietnamese Student Association at NCKU ·
Nov 2024 – Nov 2025

- Organized major events (Christmas 2024, Lunar New Year 2025, Spring Orientation 2025).
- Managed NCKU & local-business partnerships and led onboarding for new international students.
